

(b) In the case of a registration statement filed on Form N-1A (§239.15A and §274.11A of this chapter), Form N-2 (§239.14 and §274.11a-1 of this chapter), Form N-3 (§239.17a and §274.11b of this chapter), Form N-4 (§239.17b and §274.11c of this chapter), or Form N-6 (§239.17c and §274.11d of this chapter), Part C of the registration statement shall be filed on good quality, unglazed, white paper, no larger than 8½×11 inches in size, insofar as practicable. The prospectus and, if applicable, the Statement of Additional Information, however, may be filed on smaller-sized paper provided that the size of paper used in each document is uniform.

(c) The registration statement or report and, insofar as practicable all papers and documents filed as a part thereof, shall be printed, lithographed, mimeographed or typewritten. However, the registration statement or report or any portion thereof may be prepared by any similar process which, in the opinion of the Commission, produces copies suitable for permanent record. Irrespective of the process used, all copies of any such material shall be clear, easily readable and suitable for repeated photocopying. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies.

(d) The body of all printed registration statements and reports and all notes to financial statements and other tabular data included therein shall be in roman type at least as large as 10-point modern type. However, to the extent necessary for convenient presentation, financial statements and other statistical or tabular data, including tabular data in notes, may be set in type at least as large and as legible as 8-point modern type. All type shall be leaded at least 2-points.

(e) Registration statements and reports shall be in the English language. If any exhibit or other paper or document filed with a registration statement or report is in a foreign language, it shall be accompanied by a translation into the English language.

(f) Where a registration statement or report is distributed through an electronic medium, issuers may satisfy legibility requirements applicable to

printed documents, such as paper size, type size and font, bold-face type, italics and red ink, by presenting all required information in a format readily communicated to investors, and where indicated, in a manner reasonably calculated to draw investor attention to specific information.

#### **§ 270.8b-13 Preparation of registration statement or report.**

The registration statement or report shall contain the numbers and captions of all items of the appropriate form, but the text of the items may be omitted provided the answers thereto are so prepared as to indicate to the reader the coverage of the items without the necessity of his referring to the text of the items or instructions thereto. However, where any item requires information to be given in tabular form, it shall be given in substantially the tabular form specified in the item. All instructions, whether appearing under the items of the form or elsewhere therein, are to be omitted from the registration statement or report. Unless expressly provided otherwise, if any item is inapplicable or the answer thereto is in the negative, an appropriate statement to that effect shall be made.
